THE STATE OF NEW HAMPSHIRE

[L. s.]

To the inhabitants of the Town of Belmont, in the County of Belknap, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Hall's Hall, in said Belmont on Tuesday the 9th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray all expenditures as listed in Budget and make appropriations for the same.
3. To choose one Selectman for one year and one Selectman for three years, one Trustee of Trust Funds for three years, one Trustee of Public Library for three years.
4. To see if the Town will vote to raise a sum of money to purchase a tractor snow plow.
5. To see what the Town will vote to do with its parsonage fund.
6. To see if the Town will vote to raise a sum of money to purchase Ford trucks.
7. To see if the Town will vote to authorize the Selectmen to distribute inventory blanks at the time they examine the property to be taxed.
8. To see if the town will vote to allow a discount on all taxes paid on or before July 1st, 1926, and if so, how much.
9. To see if the Town will raise a sum of money to reduce its debt; and if so, how much.
10. To see if the Town will raise the sum of \$537.00 to reimburse the citizens for money paid out for legal expense incurred in connection with the abandonment of the railroad.

11. To see if the Town will vote to raise \$850.00 to paint Mosquito Bridge, state to pay \$850.00.

12. To hear reports from Committees, etc.

13. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 16th day of February, in the year of our Lord nineteen hundred and twenty-six.

FRED H. PIPER,
JOHN W. SWEATT,

Auditor's Report

I have carefully examined the accounts and statements in this report by the Selectmen, Highway Agents, Town Treasurer, Treasurer of the Public Library, Town Clerk, Commissioner of Water Works and find the orders issued represented by receipted bills, and the different items of the cash paid out by the several treasurers, sustained by proper vouchers, and all accounts correctly cast.

Report of School Board

To the Citizens of Belmont:

Since our last report Mr. C. A. Lamprey, who had served on the school board for six years, retired and Mrs. Gertrude Smith was elected to succeed him. We very much miss the careful judgment of Mr. Lamprey. We have the same number of schools as last year and at the beginning of the year found almost a new corps of teachers, a condition to be expected so long as we have to go out of town for all but one of our teachers.

The Plummer, Upper and Lower Province Road school buildings were painted on the outside and some minor repairs made inside.

At the Gale school the whole exterior was painted two coats, new storm doors and fire exit bolts added to conform to the state law. A lunch room was built in the basement, which makes a fine place for serving the hot lunch as well as for those who bring their lunch. We wish more parents could see the benefit of the hot lunch.

Storm windows have been placed on the north and west sides of both stories, making the building much more comfortable. As the coal was purchased last summer the coal strike did not affect us. The budget, which is the needs of the school for the year July 1, 1926, to June 30, 1927, appears on another page.

We wish all citizens would visit the schools, see the good work being done there and make an effort to learn the needs of our schools.

The repairs we suggest for next year are paint and carpenter work at Ladd Hill, shingles at Upper Province Road, sewage disposal and repainting one room at Gale. The State Board has given us money to employ a school nurse a part of the time.

We wish to thank the citizens of the town for their forbearance and support and wish they would show their interest in the schools, not alone on the day of the school meeting but throughout the year.

Respectfully submitted,

JAMES C. HILL,

MABELLE A. D. CLARK,

GERTRUDE L. SMITH,

School Auditor's Report

Belmont, N. H., July 10, 1925.

I have this day examined the accounts of D. W. Gale, Treasurer of the Belmont, N. H. schools and find them correctly cast and properly vouched, during the year from June 30, 1924, to June 30, 1925, and the sum of two hundred and twenty-one dollars and twenty-three cents (\$221.23) in his hands.

JOHN P. WILLARD, *Auditor.*

Report of Superintendent of Schools

To the School Board and Citizens of Belmont:

I have the pleasure of submitting to you my eleventh annual report as superintendent of schools, the eighteenth in the series of such reports.

I refer you to the statistical table for certain data in regard to each school for the school year ending last June, and to the Honor Roll, that you may know those pupils who, by reason of good fortune, good health, and determination, excelled in regularity of attendance. I suggest careful reading of the financial report and the financial statement that you may know how the school money has been expended, and a study of the school board's proposed budget for the next fiscal year.

The following table may be of interest:

	1923-4	1924-5
Total enrollment,	201	220
Boys,	117	116
Girls,	84	104
Average membership,	172	186
Per cent of attendance,	95	92
No. of tardinesses,	234	248
No visits by superintendent,	131	168

Twenty-four pupils completed the eighth grade in June. This was an exceptionally large class. While no formal graduation exercises were held certificates were presented to the successful pupils. The following is the class roll:

Ladd Hill—Irene Martel, Lionel Martel, Verna Merrill.

Lower Province Road—Maurice Bossie, Raymond Bossie, Albert Clairmont, Ernie Clough.

Plummer—Beatrice Gilbert, Dora Lavasseur.

Upper Province Road—Gladys Lamprey.

Gale—Amelia Bach, Regina Clairmont, Katherine Edmunds. Irene Geddes, Sarah Hill, Ralph Hislop, Dorothy

Jones, Everett Jones, Ruby Keating, Una Laflamme, John Lyford, Marion Page, David Ricard, George Thompson.

The first year of the high school was a very successful one. This was due to the fine work of Miss Knowlton as teacher and to the excellent spirit and interest of the pupils. Only one pupil dropped out during the year, and this withdrawal was quite unavoidable, and was not due to lack of interest on the part of the pupil.

Schools reopened September 7, last, with an enrollment of 202. Only three of last year's teachers returned. Miss Florence Johnson, a graduate of Keene Normal School last June, succeeded Mrs. Dorothy Swaim in the 1st and 2nd grade room at the Gale school; Miss Margaret Atwood succeeded Miss Florence Cushing in the 3rd and 4th grade room, and Miss Irene Comire succeeded Miss Ethel Sanborn in the 7th and 8th grade room. Miss Atwood and Miss Comire were both graduated at Plymouth last June. In the rural schools the new teachers are Miss Helen Clow at Lower Province Road, Miss Elizabeth Jones at Upper Province Road, and Miss Blanche Ringer at the Plummer School. Miss Ringer is a graduate of Plymouth.

The complete list is as follows:

SCHOOL	TEACHER	SALARY
Gale:		
Grades I and II	Florence Johnson	\$900.00
Grades III and IV	Margaret Atwood	900.00
Grades V and VI	Helen Gerrish	1,000.00
Grades VII and VIII	Irene Comire	900.00
High School	Nancy Knowlton	1,050.00
Ladd Hill	Mary Savolainen	720.00
Plummer	Blanche Ringer	850.00
Upper Province Road	Elizabeth Jones	612.00
Lower Province Road	Helen Clow	648.00

We have an excellent corps of teachers, and the work of the schools on the whole, is progressing satisfactorily.

There were thirteen pupils enrolled in the high school at the opening in September, ten in the first year class, and three in the second year class. Two pupils have since withdrawn from school; one moved from town and the other became discouraged. The schoolroom has been equipped with movable furniture of the best modern type which adds to the comfort of the pupils. Additional blackboards have been installed. The teacher and pupils have made the room more attractive in other ways.

The subjects pursued are:

1st year:	2nd year:
English	English
Algebra	Book-keeping
History of Civilization	Modern History
Physiography	French

Miss Comire, the regular 7th and 8th grade teacher, has the work in French. Miss Comire is doing very well with this course. Miss Knowlton carries on the rest of the work in a commendable manner. The school has proved a success and the community has every reason to be proud of it. I do not hesitate to recommend that a third year's work be added to the curriculum for the next school year and that an appropriation be made sufficient to make this possible. If the school is to develop as it should it must have enlarged accommodations. I think this problem can be solved for next year without any great outlay of money.

The enrollment in the first and second grades has been too large, exceeding fifty at one time. In spite of this handicap Miss Johnson has handled the school well. The other rooms in the Gale building have not over-crowded. The enrollment in grades five and six has been comparatively small. Our largest rural school is the Plummer. The Upper and

Lower Province Road schools are both small, the latter numbering only six. I would recommend that these schools be united another year unless there is a considerable increase in the school population in these communities.

The room at the Gale school formerly used for a lunch room is now used by the high school. The school board has fitted up a room in the basement by partitioning off one end and building a permanent table and seats. This answers very admirably for a lunch room. On a recent visit I counted thirty-eight children seated at the table. They were certainly enjoying their hot potato soup.

The Upper Province Road, the Lower Province Road, and the Plummer buildings were painted last summer. I would recommend that the Ladd Hill building be painted this next summer and that some other necessary repairs be made. The Gale building was also painted, the front rebuilt, and the outer doors equipped with "panic locks." These doors can now always be opened from the inside by a simple pressure on a bar. I would recommend that a septic tank be constructed at this school. I feel certain that this is advisable from a sanitary standpoint.

Again I wish to thank the school board for their consideration and forbearance, and the teachers for their co-operation and loyalty.

Respectfully submitted,
CHANNING T. SANBORN,
Superintendent of Schools.
